

VOLUNTEER REGISTRATION

Thank you for your interest in Lee's Summit West Music Parents (LSWMP).

LSWMP provides an excellent opportunity to associate with other music parents, and more especially, the students and staff. We have many Volunteer Liaisons and Coordinators who serve as officers on the Board for the Music Parents organization. They are happy to accept a helping hand.

We encourage parents to serve as volunteers to help us contribute to the success of our music students and many programs and to act as an Ambassador for Lee's Summit West.
